

PhD Adam Rosiński

Contact: adamrosinski.com/contact

Keywords

Musical acoustics, electroacoustics, sound directing, sound engineering, music production, digital and electronic composition and instrumentation, computer music composition, digital audio workstations (DAW), audiovisual sound design, dubbing, digital technologies in music education, auditory image analysis.

Education

2016

Doctor of Arts (PhD) in Musical Arts,

in the artistic discipline of Composition and Music Theory, awarded on the basis of the doctoral dissertation entitled Combining Sounds into Perceptual Streams: A Comparative Study of Musicians and Non-Musicians. The degree was awarded by resolution of the Council of the Faculty of Composition, Conducting and Music Theory at the Fryderyk Chopin University of Music on 1 July 2016

2014 - 2016

Interfaculty Full-Time Doctoral Programme (Third Cycle), Fryderyk Chopin University of Music

2011

Master of Arts in Artistic Education in the Field of Musical Arts, specialisation: Music Education,

awarded on the basis of the master's thesis entitled Technical Aspects of the Use of Computers in Music Production: Applications of Computer Technology in the Implementation of Selected Didactic Tasks of the Music Teacher. Faculty of Choral Conducting, Music Education and Eurhythmics, Stanisław Moniuszko Academy of Music in Gdańsk

Employment History

University of Warmia and Mazury in Olsztyn Institute of Music, Faculty of Arts

10.2016 - Present

Assistant Professor

01.2021 - 06.2024

Head of the Recording Studio, Centre for Artistic Initiatives,
University of Warmia and Mazury in Olsztyn

Fryderyk Chopin University of Music

10.2017 - 06.2018

Teaching Activities

Doctoral Seminar

University of Gdańsk

Faculty of Philology

11.2016 - 12.2016

Teaching Activities

Fundamentals of Film Sound Design

Academy of Fine Arts in Gdańsk

Interfaculty Institute of Art Studies

10.2011 - 06.2015

Teaching Activities

with First- and Second-Cycle Students

Professional Memberships

Since 2024

- American Auditory Society
- Acoustical Society of America
- European Acoustics Association
- Society for Music Production Research
- Society for Music Theory
- Society for Music Analysis
- Society for Music Perception and Cognition
- Cognitive Science Society
- Institute of Electrical and Electronics Engineers
- Association for Computing Machinery

Since 2013

- Audio Engineering Society

Since 2012

- Polish Acoustical Society
- Federation of Scientific and Technical Associations –
Supreme Technical Organization
- Polish Association of Sound Engineers

2024
